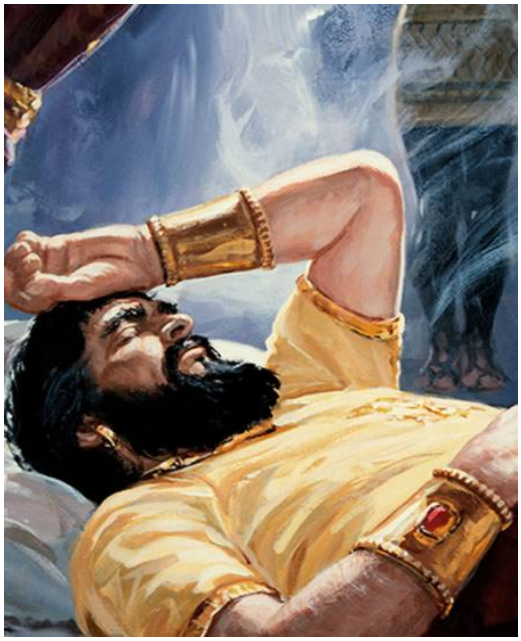
Nebuchadnezzar's Other Dream



Perhaps the most well known prophetic book of the bible after Revelation is the book of Daniel, all of which takes place in Neo-Babylonian times. Some students of eschatology seem to miss the fact that the Great Whore has the name 'Mystery, Babylon' upon her head for good reason. As it turns out the goings on in both ancient and neo-Babylon times present those of us who aspire to be like Daniel with many allegorical truths about the tribulation.

God spoke to King Nebuchadnezzar of Babylon by dreams several times, however he withheld understanding of them from him. But God's servant Daniel was highly favored by Nebuchadnezzar for his God given ability to interpret dreams and understand visions. God used this to place Daniel close to the king; each had one half of the puzzle. The dream of Nebuchadnezzar most studied by students of the prophetic is that of the golden image, but I believe the Lord has shown me that his other dream is also of prophetic significance.

> **Let his heart be changed from man's, and let a beast's heart be given unto him; and let seven times pass over him.**
> **Daniel 4:16 (KJV)**

In this lesser understood dream of Nebuchadnezzar he was given the prophecy of his own downfall, albeit temporary. It was determined that for seven years he would suffer from a very unusual judgment; being given the heart of a beast. What did this consist of?

> **At the same time my reason returned unto me; and for the glory of my kingdom, mine honour and brightness returned unto me; and my counsellors and my lords sought unto me; and I was established in my kingdom, and excellent majesty was added unto me.**
> **Daniel 4:36 (KJV)**

His ability to reason and understand left him. That is what separates us humans from the animal kingdom. He began to exhibit animal traits, particularly those of the ox, a beast of burden. Scripture tells us he ate grass as the ox, and stopped grooming himself. But what does this have to do with prophecy? Have you ever wondered why the antichrist is called "The Beast"?

Budding eschatologists should also take note that God often gives multiple meanings to the same sign. But understand that these will never contradict one another. They are simply parallel truths that reinforce one another and give us a deeper understanding. This is something that Satan's kingdom has imitated, but instead of the meanings complimenting one another they contradict. A prime example of this is in Freemasonry where the lower degrees are given misleading interpretations of the meaning of their degrees.

> **And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.**

Revelation 13:16-17 (KJV)

Yes, we know for certain that the mark of the beast of Daniel's 70th week is to be placed in the hand and or forehead, and without such men will be unable to buy or sell. However, God has shown me that this mark also has another meaning. From what I see we may say that Nebuchadnezzar was given the mark of a beast. Similarly, by willingly taking this physical mark of the Antichrist in the flesh men will cause themselves to become as Nebuchadnezzar did for a time; wild beasts devoid of understanding and reason.

This is no coincidence, but is in fact the true goal of the transhumanist (H+) agenda; to cause men to no longer be human, but be given a beast's heart. As such we can plainly see why the 'mark of the beast' eternally disqualifies them from entry into Heaven. You see, taking the mark will be peddled to the world as the greatest opportunity ever; for mankind to take a giant evolutionary leap. They will tell men they shall become as gods by taking this mark, just as Satan told Adam and Eve would be the result of biting the apple. That is why I call it **"The Final Fall of Mankind"**.

> **And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.**
> **Daniel 2:43 (KJV)**

What will this mark be? I believe it will consist of two parts working in tandem; one biological the other technological. On one biological front this mark of a beast will actually serve to change a person's DNA and make it non-human. This idea of mingling themselves with human DNA is visually represented by the cadeusus symbol of medicine. On the tech side human asset tracking and behavior reinforcement will be accomplished through satellite and microwave technology. Like cattle and the Jews during the holocaust, this mark is also one of ownership; those who have it will be the property of the New World Order and the Antichrist.

In addition, my research shows that what will be placed in the forehead will interface with our brains and turn men into literal mind controlled zombies unable to do their own will. As farfetched as that may seem to you the fact of the matter is that this technology was developed and proven by scientists such as **Dr. Jose Delgado** over fifty years ago. And all this will be done via remote control satellite and microwave transmission. This technology will be the Antichrist's network or 'hive mind' using technology similar to that which powers the RFID chip.

> **Then an herald cried aloud, To you it is commanded, O people, nations, and languages, That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of musick, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up:**
> **Daniel 3:4-5 (KJV)**

This technology will also serve to provide negative reinforcement for the worship of the Beast. Once again as in the days of Daniel in 'Mystery Babylon' men will be caused to fall down and worship his image whenever they hear the sound of **music transmitted into their heads**.
